RESPONSE

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Honorable Commissioner:

Pursuant to 37 C.F.R. 1.111(a), Applicant respectfully requests reconsideration and allowance of the subject application, based on the following response.

REVIEW

The current reissue application set forth claims 1-15 of which claims 1, 8, 12, 13, 14 and 15 are independent claims. Presently, all of claims 1-15 stand rejected as being based on a defective reissue declaration. The Examiner has cited the reissue declaration as lacking a proper basis (i.e., error) for requesting a reissue application.
